Dear Dr. Griffiths:

You indicate a desire to voluntarily surrender your California Physicians and Surgeon's license number G-10037. This license surrender is in lieu of further compliance with the disciplinary decision D-3209 dated December 26, 1985.

Your signature on this document will constitute a voluntary surrender of your license to practice medicine in the State of California. Upon receipt of your signed surrender, the prior probationary case will be closed and any inquiry as to the status of your California license will show the Voluntary Surrender.

It is also understood that you will not, at a later date, seek reinstatement of your surrendered license and if you should, the aforementioned disciplinary decision D-3209 will be reinstituted.

Sincerely,

VERNON A. LEEPER
